Discussion:

- Witnessing to the Lost, not the Righteous

- Jesus was bringing a new thing, the Church Age, is this in keeping with God's normal M.O. (modus operandi ~ mode of operation)
 - Jesus did not invalidate earlier covenants
 - Jesus was validated by signs and wonders
 - Jesus, as God, carried the authority of God

- Conditional covenant = failure
 - Adam
 - Antediluvian mankind
 - Israel under the Law

- Unconditional covenant = success
 - Abraham & Jews
 - Individual salvation
