

The Book of Galatians – After Paul's 1st Missionary Journey

Review weeks one and two (One month since last meeting!)

Galatians Finishing Chapter Two, starting chapter Three

2:1-10 Paul's ministry specifically to the Gentiles, and endorsed by the Apostles.

2:11-21 Peter's error in line with Judaizers, example of wrong

v 16 Faith justifies, the Law does not

v 17-18 From salvation to sanctification – God forbid that we, in unity with Christ, should continue in sin

v 19-20 New doctrine – Sacrifice died for me, satisfying the Law, leaving me righteous in respect to the Law. The Law condemns me to death, but like the burnt offering dies for the OT Jew, Jesus died for us. Therefore, I am considered dead (or fully penalized for sin) to the satisfaction of the Law.

2:21-3:1 The insufficiency of the law was the reason Christ had to die.

3:2-9 Blessing of Abraham thru faith to all nations, not thru the Law to Israel
Genesis 12, 15
